RE: Solid Waste Facility Permit Application – Ordot Dump Post Closure Facility

Buenas yan Hafa Adai:

Transmitted herewith is the Solid Waste Facility Permit Application and supporting documents submitted to Guam Environmental Protection Agency (Guam EPA). This is being submitted for Guam EPA to evaluate, consider, and perform a review for the purposes of issuing a permit for the Ordot Dump Post Closure Facility (Facility).

The Receiver GBB, on behalf of the Guam Solid Waste Authority (GSWA), and as directed by the U.S. District Court to execute the requirements of the Consent Decree has submitted the permit and supporting documents attached herewith.

Sincerely,

Gershman, Brickner & Bratton, Inc.
